PREFATORY SYNOPSIS

The Gunnison Charter Convention was elected March 20, 1962, under the authority and method set out in Article XX of the Constitution of Colorado. The 21 members of the Convention were charged with the responsibility of drawing up a document in which would be prescribed the form and substance of Home Rule Government for the City of Gunnison.

Two objectives of the members of the Charter Convention have been;

First That the Charter must reserve to the people of the City of Gunnison absolute right and power of self-government under the Home Rule Provisions of the Constitution;

Second That the Charter must ensure the orderly and economical management of City Government guided and controlled by the people through their elected representatives.

To accomplish these objectives, the Charter provides for the Council-Manager form of City Government.

The policy-making, legislative, and budget making powers are vested in five Councilmen elected by popular vote from the City at large. Provisions are made for the recall of elected officers and for control of legislation by the people through initiative and referendum.

The rights of the people with respect to franchises are carefully safeguarded.

The power to create and control necessary Boards and Commissions is vested in the Council.

The administrative officer of the City will be a City Manager, appointed by the Council on the basis of his administrative abilities. Provision is made in the Charter for the removal of the City Manager at the pleasure of the Council.

The City Manager will prepare a budget, but final approval and adoption of such budget and all appropriations of City funds will remain in the hands of the Council. The acts of the City Manager will be subject to review by the Council.

To preserve the independence of the judicial arm of government, provision is made that the Municipal Judge will be appointed by the Council, subject to removal at any time by the Council.

Provision is made in the Charter, pending approval by the City electorate on July 10, 1962, for the Charter to go into effect as the governing document of the City of Gunnison on August 1, 1962. Further provision is made for the incumbent Councilmen -- five in number, including four Councilmen and Mayor -- to continue to serve as Councilmen for the City of Gunnison during the transition period between August 1, 1962 through May 20, 1963.

The newly elected Council shall take office on May 20, 1963, following the first election provided for under the Provisions of this Charter on May 14, 1963.

Members of the Charter Convention believe incumbent Councilmen, experienced in City Government, can carry into effect the Provisions of this Charter through the transition months -- August, 1962 - May, 1963 -- better than five newly elected Councilmen who would be chosen at a special election. Further, the expense of a special election would be unnecessary.

Charter Convention members have attempted to design this Charter to best meet the continuing needs of the City of Gunnison, and its projected growth during the coming years. They make no claims to presenting a document that will stand impervious to possible unforeseen requirements of future citizens, and thus, have provided a method to amend this Charter by popular vote. In putting together this Charter, Convention members have worked earnestly and long. In the process the opinions and views of many people have been secured and detailed studies of other Charters carried on.

The members of the Charter Convention believe this Charter will provide the basic law upon which the citizens of Gunnison may build a sound and progressive City Government.

PREAMBLE

We, the people of the City of Gunnison, Colorado, in order to promote the general welfare of our community and to exercise the rights, privileged, and responsibilities of self-government granted to us under the authority of the Constitution of the State of Colorado, do ordain and establish this Home Rule Charter for the City of Gunnison, Colorado.

All such questions shall be so worded that a vote "FOR" shall cause a change in the provisions of the Charter, or the then existing ordinances. For measures limited to taxpaying electors, a separate ballot shall be used. Nothing on the ballot shall indicate the source of support of candidacy nor any party or political designation or anything to indicate views or opinions of any candidate.

Section 2.14 Qualification of Municipal Electors: Registration:

Every person over the age of eighteen (18) years of age or older possessing the following qualifications shall be entitled to vote at all municipal elections:

- A. He shall be a citizen of the United States.
- B. He shall have resided in the City thirty-two (32) days and in the election precinct fifteen (15) days, if more than one election precinct.

An otherwise qualified and registered voter who removes from the voting precinct where registered, within fifteen (15) days prior to any regular or special election, shall be permitted to cast his ballot for such election at the polling place in the voting precinct where registered.

At any time up to and including the thirty-second day before a municipal election, any qualified voter may register at the office of the City Clerk, or at the office of the Gunnison County Clerk, or before persons authorized by Council at branch registration offices open at such times and at such locations as the Council may, by resolution, determine. Registration may be otherwise in the manner and in such form as set forth by the Colorado Municipal Election Laws in force at that time.

The name of the voter once registered shall remain on the registration list until removed as follows:

- A. At any time until and including nine (9) days before any election any qualified elector may file a verified complaint with the judge of the municipal court giving the name or names of any person or persons whom he believes to be illegally registered, with his reasons therefor. Immediately upon receipt of such complaint, the municipal judge shall issue and provide for delivery a summons to each of the persons mentioned in the verified complaint, which shall command attendance at a hearing before him. If upon hearing, to be held within five (5) days of the filing of such complaint, the municipal judge finds that any such person has been illegally registered, the name of such person shall be stricken from the registration list. That person shall immediately be notified of this action by letter.

Section 2.15 Recall:

Any incumbent of an elective office may be removed from office by the qualified electors of the City after he has held office for six months. A petition demanding the recall of the officer sought to be removed and signed by qualified electors equal in number to at least twenty-five percentum of the total number of votes cast for the office that is being recalled, to conform with Article XXI of the State Constitution, shall be addressed to the Council and delivered to the City Clerk not less than five nor more than thirty days after the affidavit making charges against said officer has been filed. Each elector signing the petition shall write his home address after his name. Said petition may be in sections of one or more sheets fastened securely at the top and upon each section of the petition shall be written or printed a copy of the charges previously filed with the City Clerk. One of the electors signing each section shall append thereto his affidavit that each signature written thereon is the genuine signature of the person whose name it purports to be and that the affiant has not and will not receive any compensation for obtaining the signature. All sections of the petition shall be filed as one instrument, with the endorsement of the names of three persons designated as filing same.

- A. Provided, however, that prior to the filing of any recall petition one or more qualified electors shall file with the City Clerk and affidavit of not more than three hundred words stating the reasons for the recall of the officer sought to be removed.

- B. The City Clerk shall, within forty-eight hours after the filing of said affidavit mail a copy by registered mail to the officer sought to be recalled who may file with the City Clerk a sworn statement in defense of any charges made against him.
- C. Within ten days of the filing of said petition, the City Clerk shall ascertain by examination of the petition and the registration books whether the petition is signed by the requisite number of qualified electors and shall attach thereto his certificate showing the result of such an examination. If the petition is insufficient, he shall forthwith in writing, notify one or more persons designated on the petition as filing the same. The petition may be withdrawn and amended.

- E. On such ballots, under the question, there shall be printed the names of those persons who have been nominated as candidates to succeed the person sought to be recalled; but no vote cast shall be counted for any candidate for such office, unless the voter also voted for or against the recall of such person sought to be recalled from said office. The foregoing sentence or instructions shall be printed on the ballot. The name of the person against whom the petition is filed shall not appear on the ballot as a candidate for the office. If the majority of those voting on said question of the recall of any incumbent from office shall vote "NO," said incumbent shall continue in said office; if a majority shall vote "YES," such incumbent shall thereupon be deemed removed from such office upon the qualification of his successor.
- F. Such election shall be held on a Tuesday fixed by the Council not less than forty-five days nor more than sixty days from the date that the City Clerk's said certificate was filed; provided that if any other City election is to occur within ninety days from the date of the City Clerk's certificate, the Council shall postpone and consolidate the recall election with such other City elections.
- G. If a vacancy occurs in said office after a recall election as been ordered, the election to fill the vacancy shall nevertheless proceed as in this article provided.

The City council shall consist of five members, one of whom shall serve as Mayor as provided in Section 3.4.
